

WTS PARADIGM®

## **WTS Paradigm - Cooking up Charity**

Middleton, WI – June 30, 2010 – WTS Paradigm held the first annual Cooking up Charity event this June. The event allowed employees to offer suggestions and vote for their favorite charitable organizations. Votes were tallied, and employees were given the choice to donate to the Dane County Humane Society or the American Red Cross - Badger Chapter. WTS Paradigm then matched \$1,000 of employee donations, totaling \$3,385. “This was a great event for our employees to have the opportunity to vote for and donate to two local charities,” stated Nathan Herbst, President of WTS Paradigm. “Thank you to everyone who participated.” The donations were accompanied by an afternoon of grilling out, playing games, and enjoying the great weather with colleagues and families. Thank you to everyone for their amazing support!
